MENEGHETTI WINE HOTEL & WINERY 5*

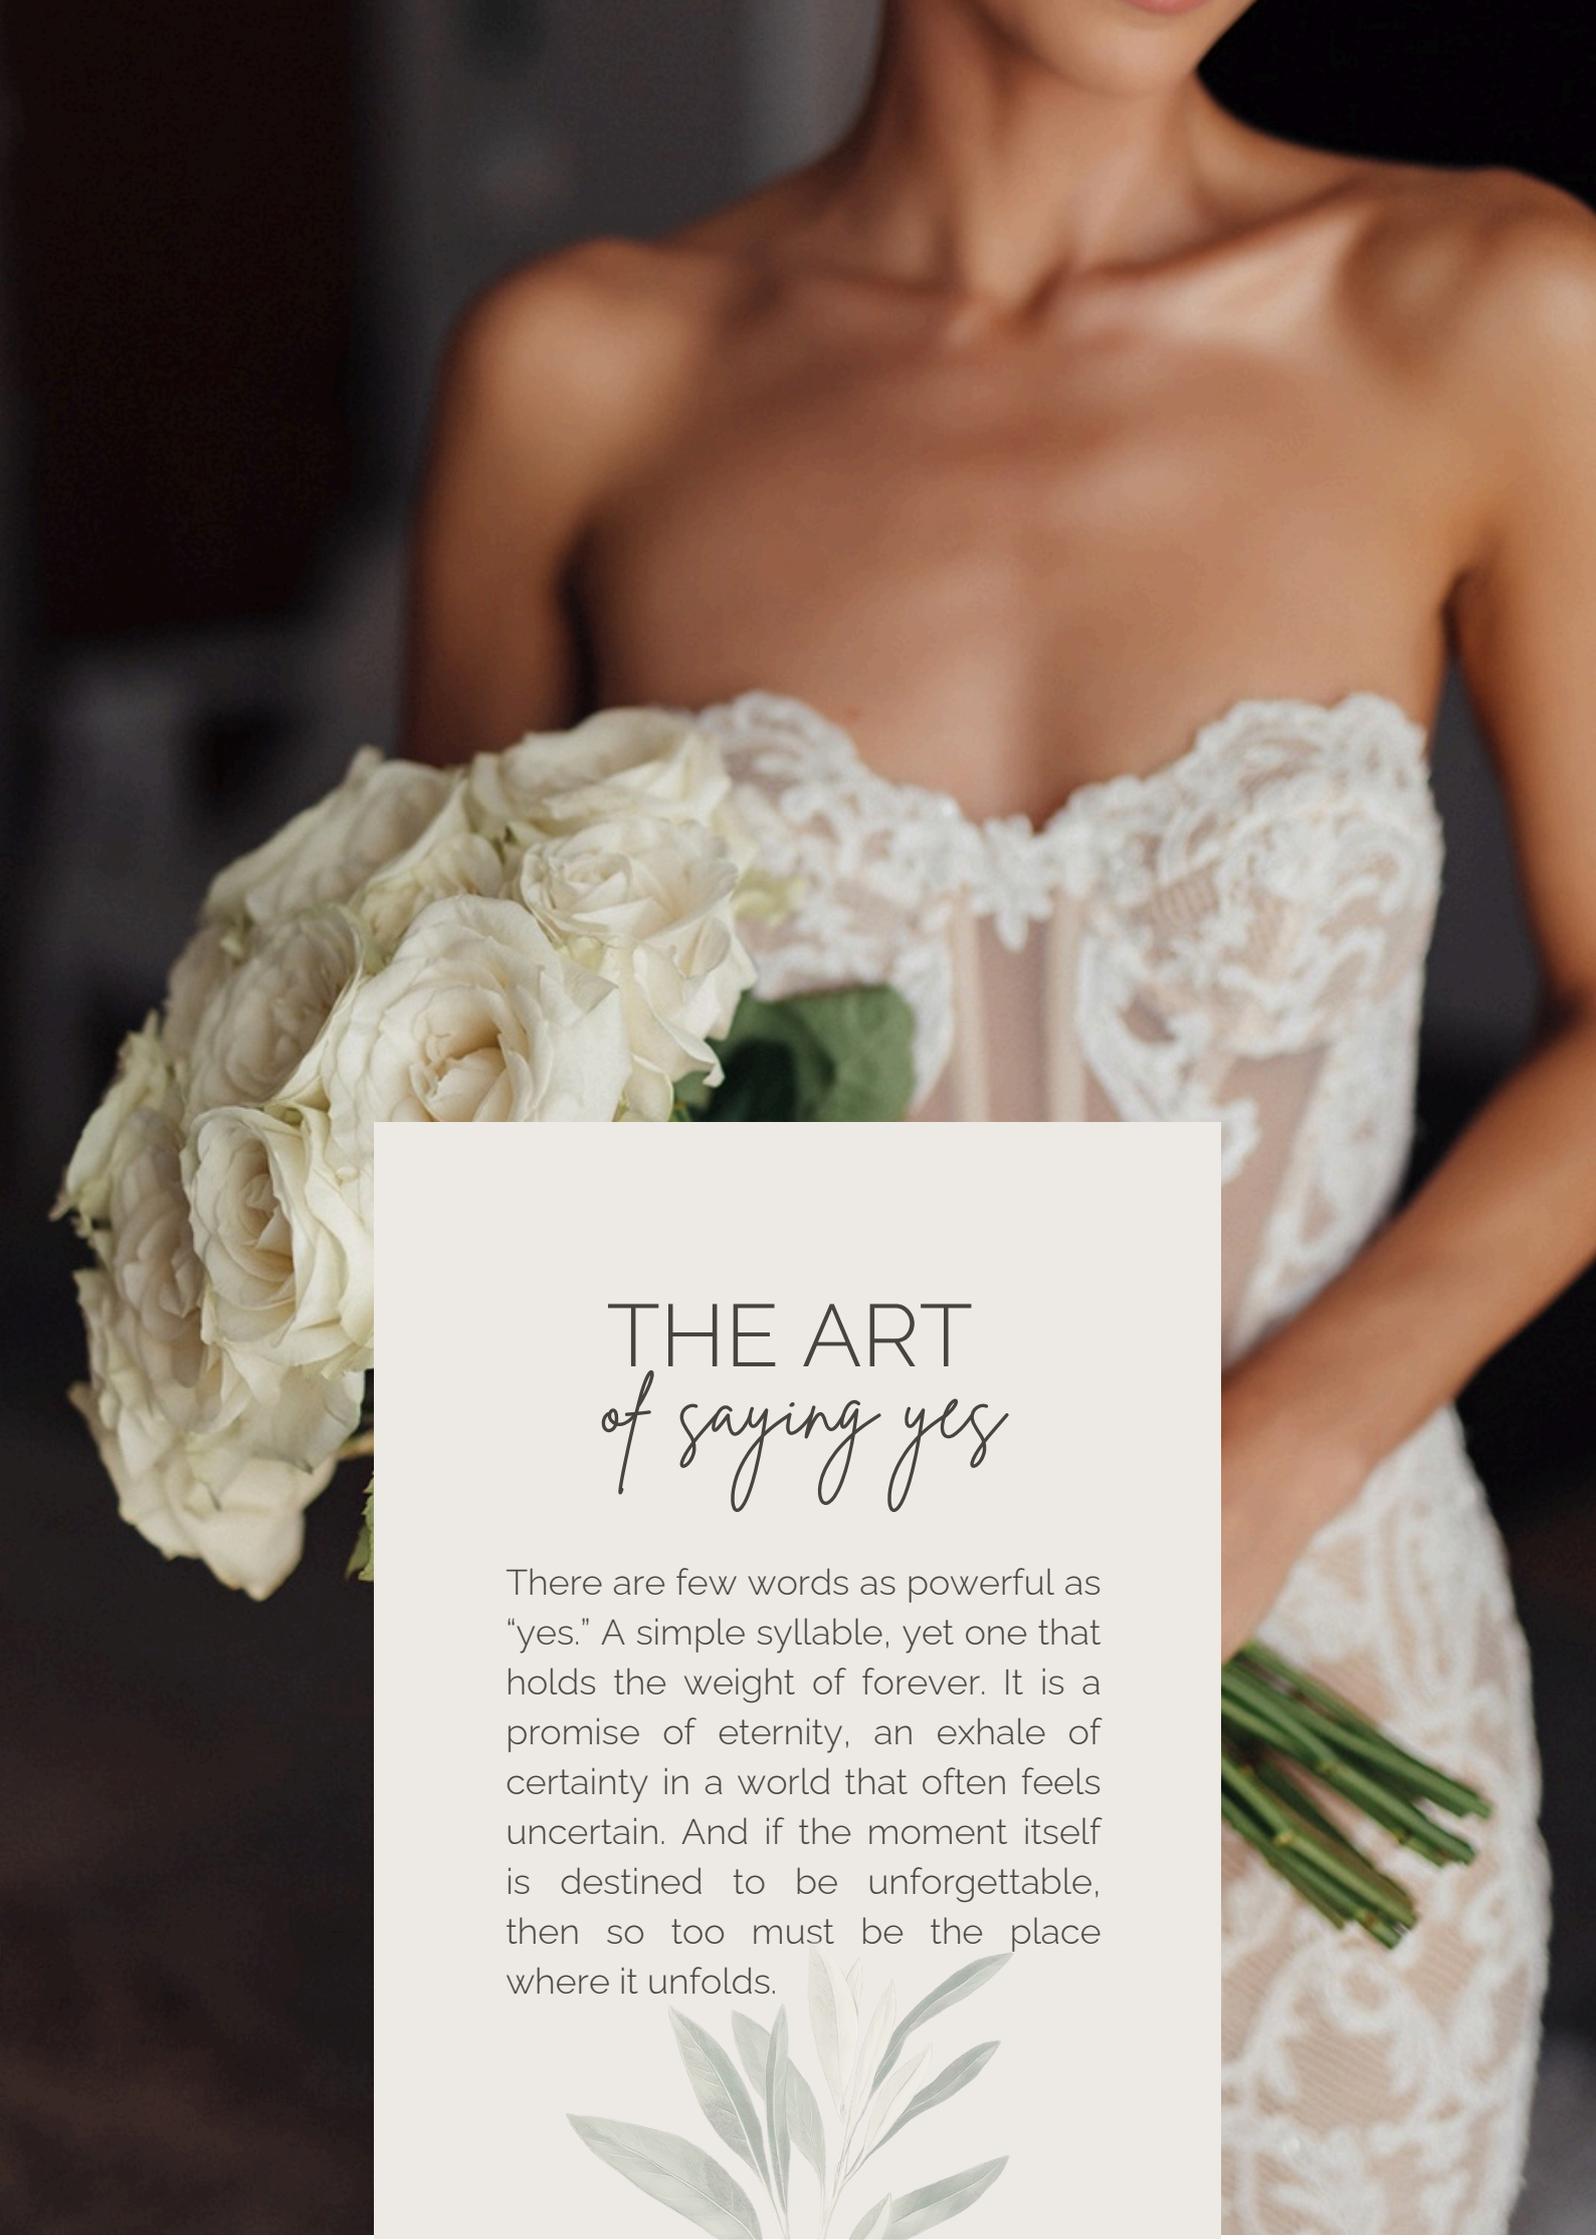

The Art of Istrian Elegance

Nestled amidst its own vineyards and centuries-old olive groves, Meneghetti is more than a setting - it is a story waiting to be written.

A secluded sanctuary in the heart of Istria, where time slows, senses awaken, and love is celebrated in its purest form. Here, the elegance of a bygone era meets the refined comforts of modern luxury, offering an intimate stage for the most important "yes" of all.

From exchanging vows beneath a canopy of olive trees to dancing beneath the stars by the poolside, every wedding at Meneghetti is as unique as the love it honors. The estate, a proud member of Relais & Châteaux, is not just a venue but a destination - a symphony of flavors, landscapes, and emotions, curated to perfection. With its Michelin-recommended restaurant, world-renowned wines, and a brand-new Garden Pavilion designed for timeless celebrations, Meneghetti offers more than a wedding; it offers a moment suspended in time.

THE ART *of saying yes*

There are few words as powerful as "yes." A simple syllable, yet one that holds the weight of forever. It is a promise of eternity, an exhale of certainty in a world that often feels uncertain. And if the moment itself is destined to be unforgettable, then so too must be the place where it unfolds.

Overlooking rolling vineyards, this secluded sanctuary is where vows are exchanged in perfect harmony with nature, every whisper of the wind carrying the promise of forever.

THE BOULEVARD

As golden light filters through the leaves and the scent of ripening grapes lingers in the air, the vineyard becomes more than a venue - it becomes a chapter in a story that will age as beautifully as the wine itself.
